

Noordwijk, 19th of March 2020

Ref. ESA-TECMSP-MIN-017981

ESA Skills training Schools

Subject: Extension of certification status

Dear All,

Due to exceptional measures against the spread of COVID-19 that will not allow your school to provide necessary training, ESA has decided to extend the validity of the certificates ending until 30th June by a maximum of 6 months in order to allow you to re-schedule the training sessions. This includes also those certificates already under extension. Once the training can be continued, the re-certification of applicants already within an extension scheme shall be prioritized.

Please inform all your customers about this decision.

Sincerely Yours,

Carole Villette
Materials Technology Section
